

Data Visualization

Assignment 2

Assignment 2: improve this visualization

Assignments are homework you should work on individually.

They help you stay up to date and apply what you learn.

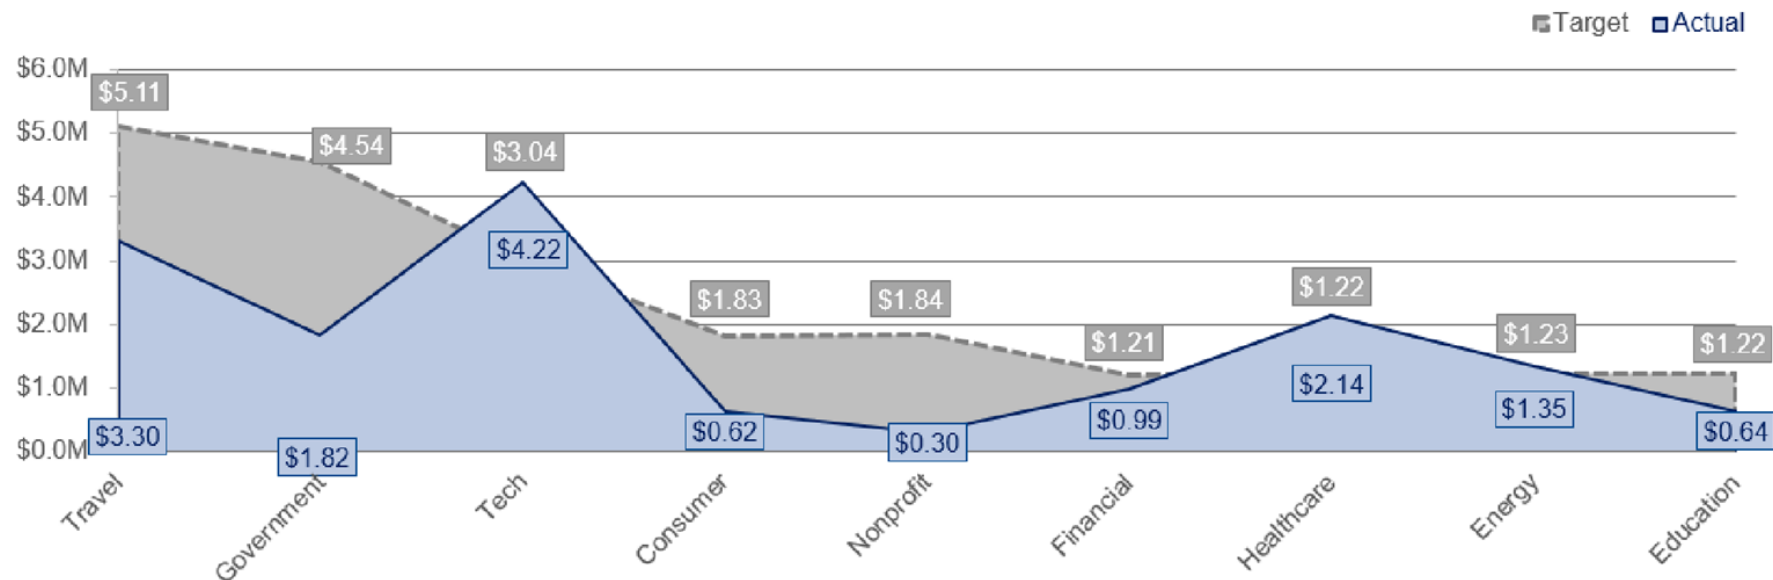

They help me understand what you understand.

We discuss them (anonymously) in class.

They don't count towards your grade

Assignment 2: improve this visualization

Q2 net new subscription revenue (millions) by industry

Assignment 2: improve this visualization

1. **List all issues with this chart**

2. **Improve it** (the data is available from gdoc)

- If you need inspiration, use <https://datavizcatalogue.com/search.html>

Send the list of issues and the visualization to me via email

- alessandro dot fabris at units dot it
